

TELLA TITOBILOLUWA

FRONTEND SOFTWARE ENGINEER

JavaScript / Typescript / React.js / Next.js

13 Ovwigho Yoma Governor Road.

Ikotun, Lagos

08037262119

titobiloluwatella@gmail.com

OBJECTIVE

As a mid-senior frontend software engineer working remotely, I can utilize my skills and experience in web design, front-end coding, user interface/user experience, and design thinking to contribute to the growth of the organization.

PROFESSIONAL SUMMARY

With over four years of progressive experience, this tech-savvy frontend software engineer is passionate and highly motivated. Technologically savvy and imaginative. Can handle problems with great logical and abstract reasoning skills, attention to detail, and superior written, oral, and technical aptitude. Can also collaborate with a variety of teams within the organization.

EXPERIENCE

TELLGAB LAUNDRY & DRYCLEANING SERVICES, Lagos—

Senior frontend software engineer

Jun 2022 - Present

Created a web-based promotional site for the laundry company

Launched the head office with lead Director; grew office revenue

Optimized home, price list, and services pages

Overhauled the obsolete legacy source code of the web application, resulting in increased usability and reduced run time performance by 50%

Designed and developed with HTML, CSS, and JavaScript

Site: <https://tellgab.netlify.app/>
